Risk type: Choking

Due to its characteristic form, appearance, colour and size, this product may be mistaken for a foodstuff and small parts can be easily detached from it.

This may lead consumers, and specially children, to put them in the mouth and ingest them, which could entail the risk of choking.

The product does not comply with the Cosmetic Products Regulation and the requirements of the Food Imitating Products Directive.

Measures ordered by public authorities (to: Distributor): Ban on the marketing of the product and any accompanying measures
