

RAPEX 26 – 26/06/2020

Alert number: A12/00914/20

Category: Chemical products

Product: Hand disinfectant

Brand: Vecteur Energy

Name: HYDROALCOOLIC Antibactérien

Type / number of model: Argent Colloïdal 200 ppm, Lavande

Barcode: 3 416381 960531

Batch number: A utiliser de preference avant: 03/2025, VE03-2020

Counterfeit: NO

Risk type: Fire, Health risk / other

The product contains an insufficient amount of ethanol (measured value: $\leq 35\%$). Consequently, it might not kill bacteria or viruses, which could then reach the user, increasing the risk of infection.

Additionally, the presence of ethanol is not accompanied by the corresponding clearly visible and appropriate hazard pictograms and warnings. Users have therefore no evident information on the flammability of the product, which in the presence of an ignition source, could lead to a fire. / The product does not comply with the Biocidal Products and the Classification, Labelling and Packaging (CLP) Regulations.

Measures ordered by public authorities (to: Manufacturer): Recall of the product from end users

Description: 100 ml of hydro-alcoholic gel solution for hand disinfection and cleaning.

Packaging description: The product is sold in a blue bottle with white plastic cap and spray nozzle.

Country of origin: France

Alert submitted by: France

Type of alert: Serious

Alert number: A12/00927/20

Category: Chemical products

Product: Hand disinfectant

Brand: Shield

Name: Hand Sanitiser Gel

Type / number of model: Unknown

Barcode: Unknown

Batch number: Unknown

Counterfeit: NO

Risk type: Chemical, Fire, Health risk / other

The product contains an insufficient amount of ethanol and propan-2-ol (measured values: $\leq 0.05\%$ and $\leq 0.1\%$, respectively).

Consequently, it does not kill bacteria or viruses, which could then reach the user, increasing the risk of infection.

The product does contain methanol (measured value: 3.4%), which is acutely toxic to the central nervous system and the eye.

Ingestion or contact with methanol leads to blindness and death.

Furthermore, the presence of methanol is not accompanied by the corresponding hazard pictograms and warnings.

Users have therefore no information on the toxicity and flammability of the product, which in the presence of an ignition source, could lead to a fire. / The product does not comply with the Biocidal Products and the Classification, Labelling and Packaging (CLP) Regulations.

Measures taken by economic operators: Making the marketing of the product subject to prior conditions, Removal of this product listing by the online marketplace (By: Manufacturer, Other)

Description: 100 ml of transparent hydro-alcoholic disinfectant hand gel.
