

## RAPEX 07 – 19/02/2021

**Risk type:** Health risk / other  
**Notifying country:** Sweden  
**Alert number:** A12/00208/21

The product is marketed as a hand disinfectant but contains an insufficient amount of ethanol (measured value: 16 % by weight). Consequently, it does not kill bacteria or viruses, which could then reach the user, increasing the risk of infection. The identity and concentration of active substances are not included on the label.

The product does not comply with the Biocidal Products Regulation.

---

**Category:** Chemical products

**Product:** Hand disinfectant

---

**Description:** Small light pink bottle with green label, including a pink holster with a cow on it. 30 ml. The product was sold online, in particular via Wish.
